

Position Announcement

About the Organization

Blankenship & Seay Consulting Group is comprised of organizational psychologists and consultants who deliver assessment-based psychological consulting services to companies to help them make smart human resource and organizational decisions. We have a national reach and serve a wide variety of organizations including Fortune 500 companies, mid-sized businesses, partnerships, family-owned businesses, and individuals. Our clients span many industries -- banking, electric and gas utilities, food and restaurant services, insurance, engineering, construction, manufacturing, healthcare, and the non-profit sector. Visit our website at www.blankenshipandseay.com for more information.

About the Position

Blankenship & Seay Consulting Group, located in Birmingham, Alabama, has an opening for a Psychologist/ Consultant to work in the areas of pre-employment assessment, executive coaching, leadership development and training with our business clients.

We are a small consulting firm that emphasizes teamwork, collaboration, and entrepreneurship. We have long term relationships with the majority of our clients, and work closely with senior level leaders to provide solutions to their needs.
